Threat Rumor at Little Elm High School

LITTLE ELM, TX – February 2, 2016. On February 1, 2016 at about 9:50 P.M. the Little Elm Police Department was made aware of a rumored threat at Little Elm High School. Little Elm Police Officers and Detectives immediately carried out an overnight investigation into the rumors.

The Little Elm Police Department along with administrators of the Little Elm High School worked collaboratively and conducted a thorough investigation. It was later determined that the threat was not real and, in fact, just a rumor. In an abundance of caution, the Little Elm Police Department deployed additional resources to the Little Elm High School this morning as students arrived on campus. The enhanced officer presence was to ensure the safety of students and staff. The Little Elm Police Department takes all threats seriously and will investigate any and all reports and take precautionary measures when necessary to ensure the safety and security of others.
